

A MAN!

Have you ever written your prayer under the anointing of the Holy Spirit? It was for me the first time in my life. Grammatical errors abounded; I made the necessary corrections afterwards since I found myself in a situation where I had to write things down in a hurry.

It was a grey, lonely, monotonous day and I was getting ready to write without really knowing what to write about. I wanted to pray but the heavens seemed like brass. I tried praying but nothing worked. Suddenly, the Holy Spirit living inside of me grabbed a hold of me and I wrote down this prayer.

My prayer:

This morning my heart is open to prayer and supplication, I cry to You; time speeds by so fast, come and fill my cup, I thirst after your presence, I hunger for You. Come, my Master, inspire me by your Spirit, may thy Word become living in me. I look at my country, my generation and today's generation and I discover indifference towards thy WORD within the majority of people. Tell me Lord, will You find A MAN ABLE AND WILLING TO FACE the challenge that needs to be confronted?

A solitary man who will not FEAR having to meet it? A modern-day David to defeat Goliath.

An enormous dark and menacing cloud hangs over our heads, hiding your LIGHT from us. I see a GIANT, a monster that surrounds my province and mocks our efforts because we are a FEARFUL people. Yet, You have provided for us, You have given us all the weapons of the Spirit.

Will You find a MAN willing to lose his life in order to find a better one. Will You find someone willing to say without fear: Jesus, here I am, I am that man! Place on my shoulders oh GOD this burden of intercession for a REVIVAL FROM YOUR SPIRIT. The challenge is so awesome, we sometimes resemble ants about to be stamped out by the enemy were it not for your promise that the gates of hell are unable to eliminate us. Where oh Lord would we go... You have the words of eternal life.

I must admit being afraid of asking to be this man. A supernatural force would have to grab my entire being in order for me to identify myself with your servant Stephen when, while being stoned, declared: "I see the heavens OPEN!" Precious Father, open the heavens for us, allow us to see a small portion of your face and your glory. Grant us the courage to march forward LIKE DAVID when facing the giant and to believe for the impossible.

Precious heavenly Father, in the mighty name of JESUS, unite us all, stamp out these stupid differences that DIVIDE us. We have been fishing for many years now without capturing anything in our nets. Must my earthly life cease before without seeing your power and might shake us... My Saviour, my King, hear my prayer and supplications, I thirst after You, my soul longs to see You work in our midst. Look down and see your

children, those who hunger and thirst for a renewal with thy presence and the anointing of your Spirit.

May I see your heaven open up and your Divine Light!

A GIANT extremely more powerful than the giant of darkness SLEEPS in us, AND THAT IS YOUR CHURCH. IT IS NOT WILLING TO DIE TO SELF in order to find a better life. JESUS, JESUS, come and awakens us! SAVE US BECAUSE WE PERISH! Your coming is nigh and the foolish virgins are in abundance in your church; we need a heavenly shower. We need to put oil in our lamps.

May your grace and mercy restore in us the fire of our first love. Awaken this giant who is unaware he lingers in us. Allow us to grab the POWER that is found in the sacrifice of the cross and the resurrection of your Son, Jesus

I am grateful to be able to share with you this wonderful encounter. It is His promise.

Romans 8: 26-27 Likewise the Spirit also helpeth our infirmities; for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered. And he that searcheth the hearts knoweth what is the mind of the Spirit, because he maketh intercession for the saints according to the will of God.
